

EFCE Student Mobility Award 2013

**HAVE YOU STUDIED CHEMICAL ENGINEERING IN MORE THAN ONE COUNTRY?
COULD YOU WRITE A GOOD ACCOUNT OF THIS IN ENGLISH?
THEN APPLY NOW!**

ANNOUNCEMENT

The European Federation of Chemical Engineering is calling for submission of applications for its **Student Mobility Award 2013**.

The award is presented every two years to the best European students of chemical engineering who have spent one or more semesters studying abroad.

THREE PRIZES:

1st Prize :	€ 2,000
2nd Prize :	€ 1,500
3rd Prize :	€ 1,000

INCLUDING

Invitation incl. travel support to the 9th European Congress of Chemical Engineering and 2nd European Congress of Applied Biotechnology (ECCE9/ECAB2) in The Hague, The Netherlands, 21-24 April 2013.

YOU will meet outstanding experts in research and practice in chemical engineering and applied biotechnology.

CONDITIONS

- You are a citizen of a European country in which EFCE is represented.
- You have successfully studied for at least one semester (30 ECTU) during your first or second cycle study programmes in chemical engineering in each of two or more different countries.

SUBMISSION

For details on the application procedure, supporting documentation and download of the application form, please visit the EFCE website at:

http://www.efce.info/Student_Mobility_Award

Applications should be submitted in *English* no later than 2 years after graduation.

Deadline for applications: **1 October 2012**
